_____ The 24/7 access right within Goetz Physical Culture Center is a privilege for active gym members only. Active gym members have the ability to enter the facility via a uniquely, assigned key card. Anyone not having a key card or having an inoperable key card is deemed an unauthorized person not qualified to enter the premises. "Day Pass" guests must be approved by Radonna or Mark Goetz and are not granted access to the facility after staffed hours. Active members are not authorized to allow, permit or enable unapproved guests, non-members or inactive members access within the facility. I comprehend that it is in my best interest not to open a secured door for anyone nor to allow anyone to follow me through a secured door. I have read and understand the aforementioned conditions and acknowledge that violating the above may result in the immediate termination of my membership without any monetary refund.
